

Adult Survivors of Childhood Cancer

Presenting

Rebounders Day 2017

Saturday, April 29, 2017

Hosted by the St. Andrew's Club and Conference Centre
150 King Street West, Toronto, Ontario

What is Rebounders Day?

A very special gathering of Adult Survivors of Childhood Cancer from across Canada... a chance to see old friends, make new friends and learn something new!

What happens on Rebounders Day?

It's a day planned just for adult survivors! Catch up with survivor friends and meet other adult survivors of childhood cancer. Participate in hands-on sessions that are geared to your interests. Learn more about Rebounders Canada and how we work. Enjoy delicious meals, comfortable accommodation and a fun-filled Saturday night for survivors only.

How do I get there?

Special arrangements for overnight stays are being arranged at a nearby hotel for all Rebounders and arrangements are being made for transportation, too. More details to follow.

What does it cost?

Thanks to the St. Andrew's Club, volunteer organizers and generous supporters there is no cost for survivors to attend. Accommodations and travel will be arranged compliments of Rebounders Canada. We ask, if you are able, to make an optional \$50 contribution towards your cost to attend.

You can also help by talking about Rebounders with your friends and family. Ask them if they can make a tax-deductible donation to support Rebounders Day. The contact people below can tell you how!

What should I do now?

1. Let us know if you can attend! Many more details will follow. All attendees must confirm no later than **March 27, 2017**. Space may be limited so respond soon!
2. Tell us what interests you. Help us plan for sessions that will be interesting and beneficial to adult survivors.
