

Registered Canadian charity that offers support and social opportunities to adults living with the long-term effects of childhood cancer.

REBOUNDERS CANADA
THRIVING, NOT JUST SURVIVING

Rebounders Canada was founded in 1991 by the late adult survivor Andrew Sprawson. Rebounders is 100% volunteer-run. Every dollar donated goes to supporting activities and projects for adult survivors. Our motto is **“thriving, not just surviving”**.

It's easy to connect with Rebounders...

Membership in Rebounders is free, and our programs are low or no cost for survivors.

- Visit our website: www.rebounders.ca
- Send us an email: support@rebounders.ca
- Visit our Facebook page: search for **Rebounders Canada**
- Send us a letter: Rebounders Canada c/o 35 Springdale Blvd., Toronto, ON M4J 1W4

Are YOU a Rebounder or do you know one?

More than 82% of children diagnosed with cancer are cured and become survivors. This is an amazing accomplishment!

BUT survival itself is not enough. More than half of all adult survivors of childhood cancer will face a lifetime of complications that are a direct result of the disease or the treatment they received.

How does Rebounders help survivors?

We host online SOCIAL EVENTS that are no cost to attend. Join us for fun activities with fellow survivors.

We support and connect our members through regular COMMUNICATIONS and SOCIAL MEDIA.

Membership is FREE to all adult survivors of childhood cancer living with late effects. The online application on our website makes the process easy.
